

LOW INCOME TAXPAYER CLINICS

Low Income Taxpayer Clinics (LITCs) provide low income taxpayers with:

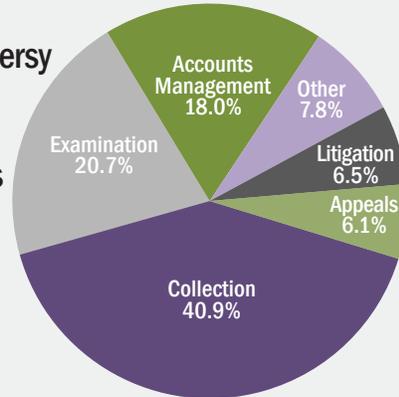

Pro bono representation

In the first half of 2012, LITCs helped their low income clients secure nearly **\$3.2 million** in refunds and eliminate nearly **\$16.2 million** in proposed or outstanding tax liabilities, penalties, and interest

Controversy Cases Worked by LITCs

Advocacy

1,900+ volunteers contributed nearly **36,500 hours of service** to LITCs in the first half of 2012

95% of LITCs offer services in languages other than English

Education & Outreach

In the first half of the 2012 grant year, clinics conducted:

nearly 1,900 educational events

over 2,700 outreach activities

Covered topics included:

- Earned Income Tax Credit (EITC)
- taxpayer rights and responsibilities
- innocent spouse claims
- worker classification
- collection alternatives
