

# Area Director Position

Would you like to lead a team of dedicated people, protecting taxpayer rights and making a difference in the lives of thousands of Americans each year? The Taxpayer Advocate Service is looking for an Area Director, based in Manhattan, to manage seven of our local offices.

In this high-profile, high-impact position, you'll use your extensive management and leadership skills and have a chance to build new ones. You'll provide expert advice, advocate for taxpayers, and work to repair "big-picture" problems in the IRS and the tax code.

TAS is the taxpayer's voice at the IRS. We help individuals and businesses resolve tax problems with the IRS, and we're there when people need special tax help after disasters like Hurricane Sandy.
