The Taxpayer Advocate Service (TAS) will be available to assist taxpayers with unresolved IRS tax problems. Our goal is to provide personalized, step-by-step guidance. If your tax problem meets TAS case criteria, we'll assign a Case Advocate to work directly with you.

Also, TAS will be sharing information on TAS careers. TAS is hiring in positions in customer service, accounting, tax law, human resources, communications, finance, technology, and more.

TAS is an **independent** organization within the IRS. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
