The Taxpayer Advocate Service (TAS) will be available to assist taxpayers with unresolved IRS tax problems. Our goal is to provide personalized, step-by-step guidance. If your tax problem meets TAS case criteria, we'll assign a Case Advocate to work directly with you.

TAS employees will meet virtually with you to discuss your tax problems. You don't need an appointment. Please have the information available that you'd like to discuss such as copies of tax returns, letters and notices from the IRS, and any related records.

If you need assistance and are unable to attend this event, you can call TAS at 1-877-777-4778.

TAS is an **independent** organization within the IRS. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
