

▶ Have a tax problem you haven't been able to resolve with the IRS?

The Taxpayer Advocate Service will assist taxpayers at its upcoming **PROBLEM SOLVING DAY**

What: Taxpayer Advocate Service Problem Solving Day

When: Wednesday, October 30, 2024 from 8:00 AM to 5:00 PM

Where: Virtual (online) Event

Partner: Low-Income Taxpayer Clinic, Delaware Community Reinvestment Action Council

The Taxpayer Advocate Service (TAS) will be available to assist taxpayers with unresolved IRS tax problems. Our goal is to provide personalized, step-by-step guidance. If your tax problem meets TAS case criteria, we'll assign a Case Advocate to work directly with you.

To attend this virtual event, you must register in advance by calling or sending a text to (302) 690-5000. When you call or text, mention the Problem Solving Day. If we are unable to answer, please leave a message clearly stating your name and telephone number and the best time to return your call. Spanish assistance will be available.

The Low-Income Taxpayer Clinic will accept in-person appointments upon request and availability.

TAS is an **independent** organization within the IRS. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
